Dear Sir:

I am sorry to say I did not realize that a book I gave you to copy was not indexed.

The Book was "History of Moses J Hostetter and Descendants" compiled by Fred M. Hostetter, LaGrange, Ind.

This is the index for that book as compiled by Mary H. Miller, N. Manchester, Ind.

In the book you bound for me the 1st & 2nd additions were mistakenly inserted between pg. 31 & 32. I considered these additions as pages at the end of the book in my index as <sup>pages</sup> 80, 81, 82.

In comparing my copies I find 2 pages of 1st addition <sup>one</sup> starting Virgil D Good the other starting Earl Bed which were omitted; so they are not included in the index.

Sincerely,  
Mary H. Miller
